SPONSORSHIP OPPORTUNITIES

Tradeswomen Build Nations (TWBN), hosted by TradesFutures, is the largest annual gathering of women in the unionized construction industry worldwide and one of the largest convenings of union construction professionals in North America. This year, we anticipate more than 6,000 tradeswomen from every craft joining us in Houston, Texas. This powerful event would not be possible without the generous support of our sponsors and vendors, whose partnership helps bring TWBN to life while celebrating the highly skilled women building our industries and communities. Sponsorship support also advances TradesFutures' mission to expand nontraditional pathways into unionized construction, opening doors for more women and individuals from all backgrounds to pursue fulfilling, life-changing careers in the trades.

We look forward to partnering with you to continue growing the tradeswomen movement together.

If you would like to join us in sponsoring TWBN and supporting the continued growth of the tradeswomen movement, please complete the sponsorship forms below and return them to twbn@tradesfutures.org.
